

The image shows a rectangular box of bath bombs. The box's exterior is decorated with a dense pattern of various green leaves, including some with yellow variegation and a few colorful tropical flowers like Bird of Paradise and Bird of Eden. In the center of the lid is a rectangular label with a light green background and a thin black border. On this label, the words "bath bombs" are written in a stylized, 3D, metallic font. The box is open, revealing twelve bath bombs inside. The bombs are arranged in three rows of four. They come in a variety of colors and patterns: solid colors like pink, yellow, blue, green, purple, and orange; and marbled or mottled patterns in combinations like blue/white, pink/white, yellow/white, and purple/white. The bath bombs are nestled in a bed of light-colored, crinkled paper shreds.
